DIRECT DEPOSIT INSTRUCTIONS

PLEASE VERIFY WITH YOUR PAYROLL CONTACT THAT DIRECT DEPOSIT IS AVAILABLE AT YOUR LOCATION BEFORE SUBMITTING AN ENROLLMENT/CHANGE FORM.

- 1. You may have up to four (4) accounts for direct deposit.
- 2. Your entire paycheck must be direct-deposited into the account(s) specified. You may NOT have a portion of your check direct-deposited and still receive the balance in a physical, negotiable paycheck.
- 3. If only one account is listed, your entire paycheck will be deposited into that account. If you list multiple accounts, ONE account must be assigned as "Balance," and the other account(s) must have specific dollar amounts indicated. The "Balance" account will receive the balance of your paycheck after the specified dollar amount(s) have been deposited into your other account(s).
- 4. You **must** verify account and routing numbers with your financial institution. Not all checks and/or deposit slips contain this information, and Athelas Institute, Inc. is not responsible for errors or processing delays caused by incorrect or missing information.
- 5. Complete all information for each direct deposit account (up to 4 accounts). Sign and date the form, attach a voided check (for checking accounts) and/or a deposit slip (for savings accounts), and return to Athelas via Fax: (410) 964-3140. If you have questions, please e-mail Payroll Specialist dmcgivern@athelasinstitute.org or call (410) 964-1241.
- Q. I want to enroll in Direct Deposit for the first time. What do I do?
- A. Check the "New" box to ENROLL IN direct Deposit for the first time. Use the area designated as "Balance Account" for your main direct deposit account, and indicate whether your "entire check" or the "Balance" is to be direct-deposited into that account. If you choose "Balance," additional accounts need to be indicated. For each additional account, indicate a dollar amount per paycheck that you wish to have direct-deposited.
- Q. I have a Direct Deposit account, but I want to deposit part of my paycheck into a savings account. What do I do?
- A. Check "Add" to add a financial institution and/or account for direct deposit. Complete an "Additional Account" block for each account you wish to add. You must provide the Bank Name and Bank Phone Number for verification of information for each account and add. NOTE: If you currently have four direct deposit accounts established, you must cancel an existing account before you can add a new one.
- Q. I want to cancel a Direct Deposit account. What do I do?
- A. Check "Cancel" to cancel direct deposit to an existing account or accounts. If you are canceling some, but not all your direct deposit accounts, complete an account block for each account that you wish to CANCEL. If you check "Cancel," but do not complete any account block information, your participation in direct deposit will be ended for ALL accounts, and you will begin receiving your ADP paycheck as a physical, negotiable check, rather than a non-negotiable pay stub.
- Q. I have Direct Deposit, but I'm changing banks. What do I do?
- A. Check "Change" to change information about your direct deposit account, i.e., financial institution(s), account information account type(s) or dollar amount(s). Complete an account block for each direct deposit account you wish to change.
 - **NOTE:** When you request a change to your direct deposit account information, do not close the old account at your financial institution until you have confirmed that the new direct deposit account is operational for direct deposit.
- Q. I want to cancel one Direct Deposit account and set up a new one, but I don't want to receive a physical, negotiable paycheck in the interim. What do I do?
- A. DO NOT CHECK THE CANCEL BOX. Instead, check "Change," complete the old account information, and enter a small dollar amount in "Amount Per Paycheck." Then complete an additional account block for the new account, check "Add" next to that block, and write "Balance" in "Amount Per Paycheck." Once direct deposit has posted to your new account, you may then submit another Direct Deposit Enrollment/Change form to CANCEL the old account.

If you are unsure of any information, please contact your financial institution to verify before sending your Direct Deposit Enrollment/Change Request to Athelas Institute, Inc. If any account information provided is incorrect, it will significantly delay the setup of your direct deposit account(s).
